NAME \_\_\_\_\_

Rolling Hills is a good park to bring a basketball. If you have one, or something similar, see how many times you can make the ball go through the basket. \_\_\_\_\_

Do you see some big grassy spaces at this park? Pick one of the spaces and run to the middle. Can you balance on one foot when you are out in the middle? Now try jumping on one foot. How many times can you jump on your right foot? \_\_\_\_\_ How many times can you jump on your left foot? \_\_\_\_\_

Do you know how to skip? Step on one foot, now hop on it. Step on the other foot, now hop on it. That's all it takes! Practice skipping all around the grassy area.

Find the tic-tac-toe board on the playground and play a game. Record your game here also.

Use the rest of the space to draw a picture of you playing at Rolling Hills Park.
