RIVER FALLS PUBLIC LIBRARY

Mark one flower for every book someone reads or listens to with your child. When you finish this reading log, return it to the library for a 201-300 reading log. Your child's bee will be moved to the next Bee4K Hive.

Bee a Reader

Name: _____

Talking: Talking with children helps them learn oral language, one of the most critical early literacy skills. Children learn about language by listening to parents talk and joining in the conversation.

Singing: Singing develops language skills. Slows down language so children can hear the different sounds in words. Helps children learn new words and information.

Reading: Reading together develops vocabulary and comprehension, nurtures a love for reading, and motivates children to want to learn to read.

Writing: Children become aware that printed letters stand for spoken words as they see print used in their daily lives.

Playing: Play is one of the best ways for children to learn language and literacy skills. They learn about language through playing as the activities help them put thoughts into words and talk about what they are doing.

Every Child Ready To Read is a project of the Association for Library Service to Children and the Public Library Association, divisions of the American Library Association
