# Bee a Reader

Name: \_\_\_\_\_

## RIVER FALLS PUBLIC LIBRARY

Mark one flower for every book someone reads or listens to with your child. When you finish this reading log, return it to the library for a 801-900 reading log. Your child's bee will be moved to the next Bee4K Hive.

### Learn to read: FUN WITH LETTERS

#### Name Games

Find as many ways as you can think of to play with the sounds and letters of your child's name. Help your child find the letters of his name in his collection of cutouts or letter magnets. Help him write each letter and hear the sound it makes in his name.

#### Magnetic Letters

Your child can use inexpensive alphabet magnets to spell his or her name and the names of other important people in his or her life. Focus on one letter each day and spell words that begin or end with that letter. Introduce a "new word of the day" and talk about its meaning. Spell simple messages for your child to read.
